Cookwell Domestic Appliances Limited

Established in 1995, Cookwell has built a strong legacy in the kitchen appliance industry, driven by innovation, quality, and trust. With nearly three decades of expertise, we are committed to delivering high-performance appliances that combine advanced technology with elegant design to meet the evolving needs of modern kitchens.

Our customer-first philosophy ensures that every product is crafted with precision, durability, and safety in mind. From everyday essentials to premium kitchen solutions, Cookwell products are designed to make cooking smarter, easier, and more efficient.

Our flagship brands, Cookwell and NutriPro, are among the best-selling kitchen appliance brands on leading e-commerce platforms such as Amazon, Flipkart, Blinkit, and Instamart - trusted by lakhs of satisfied customers across India.

Today Cookwell is the OEM for the two major brands.

At Cookwell, we don't just manufacture appliances - we create reliable kitchen partners that deliver performance, style, and lasting value.
